Lake Delton, WI 53940-0087

Dear Ms. Mackesey:

2001 Analytical Review DWCCA-2975-ELE

The Public Service Commission (Commission) staff has completed its analytical review of your 2001 annual report. The primary purpose of our analytical review is to detect possible reporting or accounting related errors and also to identify significant fluctuations from prior year's data that are not sufficiently explained in the annual report. We have no questions; only the following comment:

On page W-4, \$6,552 is reported in Account 474 as "repairs & sales". Account 474 may include compensation for minor or incidental services and profit on sale of material and supplies not ordinarily purchased for resale. Revenues from merchandising, jobbing and contract work should be reported in Account 415.

In addition, you may receive additional inquiries from our office regarding your annual report during a rate case, construction authorization, or other Commission reviews.

Thank you for your efforts in preparing your 2001 annual report. If you have any questions, please feel free to contact me at (608) 266-3768 or by e-mail at elaine.engelke@psc.state.wi.us.
